ROAD NEWS:

The road crew has been working on the pot holes. They graded from Hellings Lane to Long's which turned out good. There are a couple other places in the township that might need graded up before we do the oiling. The carbide blade on the grader will need to be replaced next year. The road crew will be filling more pot holes next week to get ready for oiling.

Kane Hardwoods has completed hauling on Robin Hill Rd. **Supervisor Matt Wallin made a motion to return their bond**  
**Supervisor Kelly VanCise seconded the motion. Motion carried with two votes.**

The supervisors would like the road crew to order the #8 antiskid to be delivered at the beginning of September. The road crew couldn't find a decent weed eater under the price of \$100.00; after shopping around, they found that a good quality weed eater ranges between \$180.00 - \$300.00. **Supervisor Kelly VanCise revised the previous motion of purchasing a weed eater for \$100.00 to purchasing a weed eater under \$300.00** Supervisor Matt Wallin seconded the motion. **Motion carried with two votes.**
